Project SEARCH is an exciting opportunity offered by LARC.

The Project SEARCH Program is a unique, business led, nine-month internship program for individuals with disabilities.

Interns in the program will complete three rotations at **Charlotte Hungerford Hospital** with the main goal of gaining the necessary skills to obtain competitive employment.

The Project SEARCH model involves an extensive period of training and career exploration, long-term job coaching and continuous feedback from teacher, skills trainer, and mentors.

Who is eligible to participate?

- Young adults with disabilities aged 18-35
- Reside in Northwestern CT
- In the process of completing or have already completed a high school education
- Receiving DDS funding for employment services
- Strong desire to work and demonstrate potential for competitive employment
