## "Medical Conditions Associated with Autism" (webinar)

Presenter: Melissa L. Olive, Ph.D, BCBA-D, LBA  
Chief Clinical Officer of Cultivate Behavioral Health & Education

---

In this webinar, Dr. Melissa Olive will be discussing common medical conditions associated with autism. Missy will share her knowledgeable opinion on not only medical conditions associated with autism, but also pill swallowing, chewing, gut issues, and diet changes. She will also discuss picky eating and how 'tongue ties' may be affecting your child's diet.

***\*\*The webinar link will be sent to all who RSVP to the event. Please see below for details. Please feel free to share this event with others who may be interested.***

Wednesday, August 24th - 6:00-7:00pm  
via Zoom
