

Chris's 3rd internship Cafeteria 2023

By: Chris

Cafeteria Managers

Peter Johnson and Shawna Gomez
are my mentors and managers.

Cafe Tasks:

I increased **Safety Awareness** to not get burned by the machines.

I repackaged food for Meals On Wheels- double breads, single with Oleo.

I reportion applesauce, brown sugar, salad dressing and raisins in 2 oz cups with lids.

I stand and work for 3 hour shift

I put away supplies, in the fridge or the walk in cooler, bring dirty items to dishwashers.

Classroom:

- ❖ In the classroom I learned Self Advocacy
- ❖ I saw life star land outside of the lunchroom
- ❖ Friday fitness in the Cardiac and Pulmonary room
- ❖ My good friend Sierra visited the classroom to tell us how to keep a job.
- ❖ My class went to the Crystal Peak for the volunteer lunch.
- ❖ Updated resume on the computer.

Classroom:

(Cont) Classroom:

What I enjoyed in my Final Internship

What I learned at Project SEARCH: Easier way to get to the lunchroom to cut through the kitchen.

What I Enjoyed at in my 3rd internship : I enjoyed doing salad dressing.

What Next?

I want to get a job at CHH in ENT

The Spring team outside
