Families to Families Legislative Night

The *Families for Families* campaign is working to create a better future for our loved ones with intellectual and developmental disabilities. By joining forces, families have made tremendous gains in a short period of time. But we still have ways to go. Let your voice be heard at LARC's **Families for Families Night** with area legislators and representatives from The Arc CT. I/DD Caucus Leader and LARC Board Member State Representative Jay Case, will be joined by other Litchfield County legislators to provide a budget update and hear concerns from families. The forum is scheduled for **Wednesday, March 2nd, 6:30 PM at LARC (314 Main Street, Torrington)**. For more information, or to RSVP call Christina Emery at 860-482-9364 or email cemery@litchfieldarc.org. We hope to see you there!
