Community Connector Housing Workshop

Housing Options for Individuals with Intellectual and Developmental Disabilities Using Community First Choice, Home Ownership, Rental and Other Supportive Housing Options

Tuesday, June 21, 2016

6:30 - 8:30 PM

LARC, 314 Main Street, Torrington

- Do you know an individual who is living with an intellectual disability and who is seeking affordable housing with in-home supports for everyday living?
- Did you know there are two and three bedroom apartments and condominiums available for as little as \$400 per month per person?
- Did you know that the Community First Choice (CFC) program may provide funding for in-home supports without a DDS waiting list?

You are welcome to join LARC and The Arc Connecticut to learn more about ways that you can create a supportive independent living arrangement for an individual who lives with an intellectual or developmental disability.

This workshop is free of charge but you must RSVP to Melissa at:

melissa.marshall@snet.net or call 860-561-1089.

The workshop is made possible by a grant from the Connecticut Council on Developmental Disabilities.
